## **Important Information from Chevra Hatzalah regarding the Washington DC Rally**

Organizers of the Washington rally expect extremely large crowds at the Washington DC rally (on the National Mall) on Tuesday. Starting on Tuesday morning at 7:00 AM until 10 PM, Chevra Hatzalah will have roving teams of credentialed Hatzalah emergency personnel working in tandem with local emergency care providers. **All Hatzalah members will be identified by their green/yellow Hatzalah vests and ID.**

In order for Hatzalah dispatchers to know a caller's exact location, we strongly urge the public to download the Hatzalah global assist app, which will connect you to the Chevra Hatzalah Operations Desk.

**Chevra Hatzalah has created a dedicated emergency Hotline number  
exclusively for the Tuesday Washington DC rally:**

**516-226-8800**

Please program both this hotline number and the Global Hatzalah Assist app on your phone and share it with your family and community groups.

Many thousands of travelers will be from out of town and will not necessarily know their exact location or how to contact the closest Hatzalah agency for assistance. The goal of the app is to connect the caller with the closest Hatzalah responder, no matter where you are in the world. Download this app to your phone now. The life you save may be your own. Available for Android and iPhone.
